

# Our culture and heritage

Cumberland is a diverse and inclusive community, offering easy access to jobs and services, with places and spaces close to home that take advantage of our natural, built and cultural heritage.

Draft *Cumberland 2030: Our Local Strategic Planning Statement (LSPS)* sets out a planning framework delivering social infrastructure that reflects the needs of the community now and in the future.

## Our local planning priorities

- Celebrate our natural, built and cultural diversity.
- Provide high quality, fit-for-purpose community and social infrastructure in line with growth and changing requirements.
- Designing vibrant and attractive town centre

## Have your say

Draft *Cumberland 2030: Our Local Strategic Planning Statement* is on exhibition until 30 August 2019.

Tell us about your thoughts about your preferences and the types of community and social infrastructure you would like to access in the future.
