

Employment and Innovation lands

Industrial and employment lands are an important part of land use planning. They provide jobs, education and care services and are essential to supporting a strong and diverse local economy.

Draft *Cumberland 2030: Our Local Strategic Planning Statement (LSPS)* sets out a planning framework for the future employment needs of the Cumberland community.

Our local planning priorities

- Support a strong and diverse local economy across town centres and employment hubs.
- Promote access to local jobs, education opportunities and care services.
- Facilitate the evolution of employment and innovation lands to meet future needs

Have your say

Draft *Cumberland 2030: Our Local Strategic Planning Statement* is on exhibition until 30 August 2019.

Tell us about your thoughts about the types of industry, jobs and services you would like to see established and grow in Cumberland in the future.

To provide comments, or if you would like more information, please visit Council's Have Your Say webpage <https://haveyoursay.cumberland.nsw.gov.au>.
