Dear Resident,

Please follow the NSW Government's health orders and guidance. Practise good hygiene, avoid large family gatherings and wear a mask to protect yourself, your family and others. If you are not wearing a mask in certain areas like shopping centres, public transport, places of worship, you can be fined \$200, on-the-spot.

Please get tested if you have any COVID-19 symptoms such as fever, cough, sore/scratchy throat, shortness of breath, runny nose, loss of taste or smell. Self-isolate until you know your test result. Also, please do not go to work if you feel unwell.

Many of our residents are from non-English speaking backgrounds. If you know someone who needs assistance, maybe they are a friend or a relative, please help them understand the importance of getting tested and encourage them to do so.
